

Career Assessment Inventory™ (CAI)

- A survey of your interest is a critical first step in planning your future. The next step is to explore the important role your interests play in making educational and occupational choices. This exploration can also assist you in identifying a career direction and selecting major areas of study.
- Completing the Career Assessment Inventory™ -Enhanced Version and discussing your results with a career counselor can put you on the path to a fulfilling career.
- It takes approximately 40 minutes to complete 370 multiple-choice items.
